in the present Parliament by party are, ERE - 40, Center Union - 33, EDA - 7, and Progressives - 1. The percentages reported in the airgram under reference are identical with those listed above; however, ERE has one more seat, and the CU one less, than reported in referenced airgram.

The Consulate General assumed shortly after the elections that CU candidate Antonios KASTRINOS, writer on economic subjects for Makedonia and Thessaloniki, would win one of the five seats in Drama Nome. The seat went instead to ERE candidate Nicolaos TSIMBAS in the third distribution, giving the ERE a total of three and the CU two for that district. Similarly, the disputed seat in Evros Nome went to the ERE in the third distribution, giving a four to two advantage for the ERE over the CU in that district.
